

Well the nights are drawing in, it's starting to get colder, and we are starting to think about the Christmas Fair...

If you are able to help in anyway, please let us know. We need help on the day and also help setting up on the Friday before. It's a great fun family event which the children love, so even if it's for an hour, to take over a stall so someone else can enjoy the fair, it would really be appreciated.

There will be a meeting next week sometime to start to work out the details. Information will be on the FROTH Facebook page.

Bag 2 School

We had a Bag 2 School collection on Thursday 2nd November and raised a fantastic £100! There were loads of bags brought in, so thank you so much for your donations. The next Bag 2 School collection is after half term in February, so please hang on to your unwanted clothes and other items until then.

Quiz Night

We have got our quiz night coming up on Friday 10th November. It's an adults only event and is great fun. You can make up your own team of up to 8 people, or you can join another team on the night. It is £5 per person, payable in the office before the night.

We have managed to secure 20% off a Madhuban takeaway. If you would like a takeaway, please call on the Thursday to order. Quote the Holme School Quiz night and give your name and they will add it to the delivery. Food gets delivered at 8pm to the school. All are welcome, so invite friends and family for a really fun night.

Bottle Tops

Now we are a charity we can start to join different fund raising schemes. One such scheme is collecting milk bottle tops. If you could save all your plastic milk bottle tops, making sure that they are clean and must be free of any paper, rubber or foil inserts.

There will be a bottle top bin in the foyer of the school for you to leave your bottle tops in. They are then recycled and go towards making hard plastic toys for children such as slides and other garden toys. They also go towards making more bottle tops.

We get a donation for every bag we manage to fill. If you could empty them directly into the bin, that would be great. Please, no plastic bags in the bin. Please see the attached pdf for more information about the scheme.
