

DECEMBER 1ST 2017

Dear Parents

Years 1 and 2 had a super trip on Tuesday to the Weald and Downland Museum, learning lots about different types of houses. They have been telling us lots about what they learned and clearly had a great day. Thank you to everyone who went with them and made it such a safe and fun day out.

On Monday, the teachers had a tour of the new developments in Bordon, visiting the new Hogmoor Inclosure. It's a fabulous park and we are planning visits already and looking at how to link the facilities with our upcoming topics. If you've not visited, I'd thoroughly recommend it! To keep informed of what's happening with the Bordon/Whitehill Rejuvenation project you can sign up at <http://www.princephilippark.co.uk/>. This weekend for example is the skating rink opening.

Some of you will know that we had our annual Health and Safety audit yesterday. It's been a real focus for the whole school over the last 3 years and so I am delighted to tell you that we achieved 95% and are securely compliant! The 5 points we missed are very minor and easily addressed. It's been a whole school effort, but undoubtedly Mr Rose is our star – without his determination, commitment and drive for perfection we would not have achieved such high standards.

We thoroughly enjoyed the Bordon Schools' Cantata last night – lovely singing from all! Well done Mr Coutts for his organisation and coaching!

Best wishes

Ruth Worswick
