

APRIL 27TH 2018

STARS OF THE WEEK

Dear Parents

We've had another busy week this week - with Year 2 rounders festival, after-school clubs starting, forest schools and welcoming the new CEO of the Good Shepherd Trust to our school.

Year 2 had a super striking and fielding event with other local schools on Tuesday at Bohunt. Their report is on the next page.

We've started our after-school clubs: rounders, sewing, gardening, choir, multi-fun and film clubs. A big thank you to all the teachers who give up their time after school to run these for the children, who have so much fun and enjoy this more relaxed time in school.

Our new CEO, Mr Tony Billings, took up post at Easter. He's been busy getting to know the Trust and the schools; as you can imagine he has lots to take in. He came over to see us on Wednesday to make sure he's familiar with where we are and it was a chance for me to share both the areas where things are going well and also those that are more challenging - budgets and attendance as the two main areas.

Thank you to those of you who have donated tissues to school. We are approaching hay fever season so it is very important that you **ensure your child has plenty of tissues or a hanky with them**. School is unable to provide these as they are personal items that should come from home. On the note of health, please make sure you are teaching your child to wash their hands thoroughly as there is a pretty unpleasant sickness bug going through school at the moment. I've attached a poster to the newsletter this week which shows the key points.

Best wishes

Ruth Worswick

Year R - Goodness for super independent writing.

Year 1 - Summer for great focus and super, neat work.

Year 2 - Celia for working so hard to make improvements.

Year 3 - Caden for his determination to impress with his writing.

Year 4/5 - John for his enthusiasm and working so well with different partners.

Year 6 - Ellen for her hard work and super focus.

FACEBOOK

The attached flier came my way this week to support making sure we all stay safe on Facebook. With all that we hear in the news at the moment I thought it might be useful.

DIARY DATES

Friday April 27th - FROTH Quiz Night
Friday May 4th - Family Star Wars Bingo - FROTH
Monday May 7th - May Day Bank Holiday
Monday May 14th - SATS week for Year 6 begins
Monday May 28th - Friday June 1st - Half term
Monday June 4th - Class photos
Friday June 8th - Bag2School Collection
Saturday June 9th - Grounds Day
Thursday June 14th - Summer cake sale
Monday June 25th - Year 6 leavers' service in Guildford
Monday July 2nd - INSET day; school closed
Friday July 6th - Moving up day
Saturday July 7th - Summer Fair
Monday July 9th - Year 4/5/6 trip to Stubbington
Wednesday July 18th - Sports Day
Friday July 20th - Last day of term

TERM DATES FOR NEXT TWO YEARS

This week staff have set diary dates for the rest of this term and also have put in key term dates and INSET days for the next 2 school years. I've put them on the school website calendar so that you can plan ahead if you're thinking of holidays.

YEAR TWO STRIKING AND FIELDING

On Tuesday, we went to Bohunt because we were doing striking and fielding. Mr Coutts and our mums and dads took us. There were lots of other schools there too.

We practised throwing balls and also catching and hitting them. We did running around cones as well.

It rained nearly the whole time we were there so we got very wet. But we still enjoyed ourselves and had a lovely time!

Thank you Mr Coutts!
Report by Year 2

GROUNDS DAY

We've put June 9th in the diary for Grounds Day this term. Thanks to the lovely donations of tyres, soil, logs etc, we've now got the stumpery and vegetable patches to work on. Mrs Liversage would also love any artists among you to help her with the Year 1 outside area. We'll be putting out posters with more jobs to do soon.

Thank you!

Letters/emails home this week:

SEE YOU TONIGHT FOR THE QUIZ!

Stop Germs! Stay Healthy! Wash Your Hands

WHEN?

- Before, during, and after preparing food
- Before eating food
- Before and after caring for someone who is sick
- Before and after treating a cut or wound
- After using the toilet
- After changing diapers or cleaning up a child who has used the toilet
- After blowing your nose, coughing, or sneezing
- After touching an animal, animal feed, or animal waste
- After handling pet food or pet treats
- After touching garbage

Keeping hands clean is one of the most important things we can do to stop the spread of germs and stay healthy.

HOW?

- **Wet** your hands with clean, running water (warm or cold), turn off the tap, and apply soap.
- **Lather** your hands by rubbing them together with the soap. Be sure to lather the backs of your hands, between your fingers, and under your nails.
- **Scrub** your hands for at least 20 seconds. Need a timer? Hum the “Happy Birthday” song from beginning to end twice.
- **Rinse** hands well under clean, running water.
- **Dry** hands using a clean towel or air dry them.

For more details on handwashing, visit CDC's Handwashing Website at www.cdc.gov/handwashing

How to protect personal data on Facebook

Third-party apps which are accessed through Facebook may have access to more of your personal data than you were aware of. This includes information such as your date of birth, email address, photos you've shared, your friends list and your Facebook likes.

To take access away from these app developers or modify what they can see about you, follow the instructions below:

How to delete/modify apps

- 1 Log into your Facebook account
- 2 Click on  and select **Settings**
- 3 Select the setting for  Apps
- 4 Hover over any apps you wish to know more about. You can choose to edit what you share with them. If you wish to remove an app, click remove **(X)**
- 5 Click the Remove button **(X)**

Make sure you click on **save** when you have made your edits.

Click on **show all** to ensure you don't miss any apps from the list of those that may have access to your personal data.

How to protect personal data on Facebook

Once I delete the app, does that mean it no longer has my personal data?

By deleting the app, you're stopping any further access. However, it's important to note that the app may still have information about you saved. You have the right to contact each developer and ask them to remove any existing information from the app's servers. When modifying the settings for each app, this option will be provided. In May 2018, with the introduction in Europe of the General Data Protection Regulation (GDPR), which aims to make it far easier for users to take back control of their data, things may change for the better.

How to protect personal data on Facebook

Top tips

- Privacy policies are constantly changing. Make it a habit to check your privacy and security settings to ensure you know who can see your personal information.
- It's a good idea to frequently review the list of apps that you've connected to Facebook, and check who can see your personal data. Remember that this part is not under privacy or security settings. It can be found under app settings.
- If you want to play a quiz or game you see on Facebook, go directly to the website and not through Facebook.
- Never click on a 'like' button on a product service page.

About Parent Zone

Parent Zone is the official parents' representative on the UK Council for Child Internet Safety and chairs the UKCIS Digital Resilience working group. Parent Zone is devoted to providing expert information to families, schools and family professionals. It creates, curates and checks the best available advice and information on all of the issues that are caused or amplified by the internet.

Resources for Schools and Professionals

Our online safety experts have developed a suite of resources to use with children, young people, parents and professionals and are also able to deliver interactive sessions in schools and other settings.

Get in touch with our services department to find out how we can help you at yasmin@parentzone.org.uk or by using our contact details below.

Join us

Digital Families conference with CEOP, 10 October, London. Packed with inspirational speakers exploring the future for young people online and with lots of free resources to use in your setting, this is a must-attend event. April 26th 2018

Dear Parents/Carers

On Wednesday 9th May there will be a meeting for all Year 1 parents about the phonics check that the children will be taking in June. This is a statutory check for all Year 1 children and results are part of our published data.

As well as showing you what the check looks like and when/how it will be given, we will also share ideas for how you can help at home.

Please make sure that you do your best to come along at 6pm. If it's possible to come without your children that would be best, so that we can talk uninterrupted! If you are unable to attend, please make sure you speak to Mrs Liversage so that she can pass on all the information you will need.

The meeting will be in the Year 1 classroom, so if you're a few minutes late and the front door is locked, do come around to the outside door.

I'd be grateful if you would reply by email to confirm your attendance.

Best wishes

Mrs Liversage

Thursday 26th April 2018

Dear Parents,

It has been noticed that there is an outbreak of head lice in the school. Therefore we would ask that you check your child's hair to avoid further infestation.

Regards.

School Office
