

MAY 4TH 2018

Dear Parents

What a mixed week we've had with the ever-changing weather! It got so cold at one point that YR had to work in the hall. We have had lots of problems with our heating over the last year and it isn't working properly at all. However, on a positive note we have been successful in a grants bid and have been awarded £100 000 to replace our boiler! We are currently having asbestos checks and finalising quotes, but hope that the work will start this term. While too late for this week, it does mean we will go into next Winter secure and warm.

I've had different parents/neighbours speak to me this week about some concerns:

1) Please can I ask everyone to be vigilant around sickness and diarrhoea bugs please? There have been several cases through the school, especially the younger years. But parents have also reported that other parents have been sick, yet still come to Celebration Assembly. If you are ill, it is important you don't come to school please as we don't want the bug to spread.

2) Could I also ask you not to park on the zig-zags outside of school? They are there to make sure the children are safe and parking on them puts children's lives in danger. They mark a safe place to cross and give families room to see if traffic is approaching.

3) As I said in my email on Monday, please don't smoke outside of school but keep our pavements a safe zone for all children.

Best wishes

*Ruth Worswick*

## TERM DATES FOR NEXT TWO YEARS

This week staff have set diary dates for the rest of this term and also have put in key term dates and INSET days for the next 2 school years. I've put them on the school website calendar so that you can plan ahead if you're thinking of holidays.

## QUIZ NIGHT

Thank you to Graeme and Amanda Morgan for another super quiz night. It was a very close finish with only a few points in it and it went to a tie break, but the teachers held on to their winning streak - just! We tasted different flavoured waters, watched film clips and answered all manner of general knowledge questions. The curry was delicious too! Thank you FROTH!

## GROUND'S DAY

We've put June 9<sup>th</sup> in the diary for Grounds Day this term. Thanks to the lovely donations of tyres, soil, logs etc, we've now got the stumpery and vegetable patches to work on. Mrs Liversage would also love any artists among you to help her with the Year 1 outside area. We'll be putting out posters with more jobs to do soon.

Thank you!

Wednesday 2<sup>nd</sup> May, 2018.

Dear Parents.

It's that time of year when all schools have a census and to get as much money as we can in all avenues, we desperately need all your co-operation.

So one area they always take is the number of children particularly in Reception and KS1, who take up meals on that day, (17/05/18). So we have changed the menu for that day which would normally be the picnic day to the Friday. But instead Mr Pound will be doing:

Meat option = fish fingers & chips

or

Vegetarian option = quorn nuggets & chips, both options will be served with either peas or baked beans, pudding will be jelly delight.

Please support your school by choosing meat or veg for this day and then on the Friday 18.05.18 it will be the picnic lunch that would be for week 2.

Now all you have to do is reply back to this email address with your child/children's name and who would like meat or veg. For the KS2 children you will have to send in your money in a named envelope stating what it is for by Friday 4th May 2018.

We are really sorry for the short notice but Mr Pound would need to order this by 11.00 am on Tuesday morning next week and as we have a bank holiday Monday we will not be in to collate all the emails for the lunches on 17.05.18.

Kind Regards.
